President R. A. Falconer,
University of Toronto,
Toronto.

Dear Sir:

Some six months ago I received a letter addressed to my son, Mr. Arthur W. Chesnut, who graduated in Engineering several years ago and who has been living for some years in the West, advising him that the Council had granted him his shop work and his B.A.Sc. degree and asking for full particulars as to his full name and address for the purpose of issuing his parchment.

I replied to Mr. Laing, giving the necessary particulars but, although I have several times communicated with Mr. Laing by telephone and at his suggestion also wrote Mr. Brebner on the subject, I have been unable to get any satisfaction in the matter.

Under these circumstances I have ventured to address you in the hope that the matter may at last receive attention.

Yours truly,

D. Geo. Chesnut

D. G. Chestnut, Esq.,
Confederation Life Association,
Toronto.

Dear Sir:

I have made inquiries and the diploma is being made out for your son, Mr. A. W. Chestnut. However, it will be necessary to send the Registrar, Mr. Prebner, power of attorney to sign the roll of convocation on his behalf before the parchment can be sent. I regret that there has been delay in these circumstances.

Yours sincerely,

President.
